# *From The Sale Manager*

Dear Polled Shorthorn Enthusiasts:

It is my privilege to welcome you to the Illinois Polled Shorthorn Association's annual spring sale.

Over the past three years, since I have been connected with this sale, the quality of cattle has made rapid advances. We had a record-breaking sale last year which included the all-time high for a bull at \$3,125 and the highest overall average of \$800. This is progress, and the breeders have not let you down again this year. They have brought the greatest assembled group of cattle ever consigned to a state sale.

Included in the offering are the first son and daughter of Mandalong Super Flag (P) to sell in the United States, and also a group of bred females which carry the services of the leading sires in North America. Don't forget the great offering of bulls to be sold on March 10. This is without a doubt the best group of bulls this state sale has ever seen. Look at the list of show winners, their performance records, and finally their ancestries.

Please be with us on March 9 and 10. I guarantee that you will not be disappointed.

Stuart Wilson

Sale Manager

P. S. If I can be of any assistance, don't hesitate to get in touch with me.
